

parse_with_options

```
graph LR; A[parse_with_options] --> B[vlc.libvlc_media_parse_with_options]
```

A diagram showing a function call. On the left, a gray rectangular box contains the text 'parse_with_options'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'vlc.libvlc_media_parse_with_options'.
