

module_description_list

```
graph LR; A[module_description_list] --> B[libvlc_module_description_list_release]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'module_description_list'. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'libvlc_module_description_list_release' on two lines.
