

video_get_scale

```
graph LR; A[video_get_scale] --> B[vlc.libvlc_video_get_scale]
```

A diagram showing a mapping from a function name to its implementation. On the left, a gray rectangular box contains the text 'video_get_scale'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'vlc.libvlc_video_get_scale'.
