

get\_preamp

```
graph LR; A[get_preamp] --> B[vlc.libvlc_audio_equalizer_get_preamp]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'get\_preamp'. A blue arrow points from the right side of this box to the left side of a larger, white box on the right. This right box contains the text 'vlc.libvlc\_audio\_equalizer' on the top line and '\_get\_preamp' on the bottom line.
