

set_role

```
graph LR; A[set_role] --> B["vlc.libvlc_media_player_set_role"]
```

A diagram consisting of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'set_role'. A dark blue arrow points from the right side of this box to the left side of a larger, white box on the right. This right box contains the text 'vlc.libvlc_media_player_set_role'.
