

video_set_callbacks

```
graph LR; A[video_set_callbacks] --> B[vlc.libvlc_video_set_callbacks]
```

A diagram showing a pointer relationship. On the left, a gray rectangular box contains the text 'video_set_callbacks'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'vlc.libvlc_video_set_callbacks'.
